NOTE: 2015 Update are available at the Library, the Hungry Horse and other locations. All sections are also posted on the Rye Civic League website

The Rye Citizens' Handbook has been created by the Rye Civic League ("RCL") to provide a consolidated resource to assist citizens in interacting

with the various employees, board and commission members of the Town. It contains a description of each of the positions and groups, together with the contact information for each. It provides a road map to assist citizens in interacting with each function. The document is fluid. The intention of the RCL is to revise the Handbook at least annually in response to changes in staff, board and committee memberships, and the laws.
