

GOING SOLAR: A PRIMER FOR RESIDENTIAL SOLAR ENERGY IN RYE, NH

Get the information you need to understand and undertake an investment in solar energy for your home by experts from the New Hampshire Sustainable Energy Association. Solar energy has never been more affordable, but navigating the decision to go solar can be daunting.

This workshop will cover:

- Solar Electric technology
- Solar Hot Water technology
- Financing & Incentives
- Siting
- And much more!

Wed., May 13th, 2015 6:30 – 8 p.m.

Rye Public Library | 581 Washington Road, Rye NH

Please RSVP to: Susan Anderson at sorazi3@comcast.net
