

Rye Recreation Departments Space Needs Committee Needs Your Feedback

I would like to start off by introducing myself - I am Beverly Levesque, a native of Rye and the mother of Brady, a 4th grader and Jax, soon to be a Kindergartner here at Rye Elementary School. I am on a Selectman's Committee to assist in the analysis of the Rye Recreation Departments Space Needs. Our family has been very active users of the services provided by the town of Rye such as the Rye After School Program and the Summertime Horyezons Day Camp.

In order to make sure that all of the parents who take advantage of the wonderful services that the Rye Recreation offer are able to participate, I am asking you to assist me in this task by answering a few quick questions below. Specifically, this is not a critique of the programs offered but is being used as a tool to help the town of Rye plan for and continue to offer programs to all of the people, by soliciting feedback especially from those who actively participate.

- 1. Kindly identify any activity that you wish was offered thru the Rye After School Program, that is not currently offered on the monthly calendar selections for sign up (i.e.: cooking, sewing, woodwork, etc.):**

- 2. Kindly identify any sports activity that you wish was offered thru the Rye Recreation, that is not currently offered (i.e.: tennis, swimming lessons, etc.):**

- 3. Kindly indicate changes you would like to see in the current programs that may not have been able to be supported due to space limitations (i.e.: activities for Junior High School age students)**

Thank you for taking a few minutes to share your thoughts and if you have any questions, please contact me at brlevesque@comcast.net
