5TH GRADE TRANSITION COMMITTEE

Readout and Panel

Due to past and projected school enrollment decline and following the recommendation of the School Use Feasibility Committee, the Rye School Board voted on July 25, 2018 to reconfigure the towns two schools beginning the 2019-2020 school year: Rye Elementary will educate Grades K-4 students and Rye Junior High will educate Grades 5-8 students.

A newly formed “5th Grade Transition Committee” comprised of school administration, teachers, a Teacher Association Representative, parents, and school board members is hard at work planning for a smooth transition.

Please join us to review the findings of this Committee, the initial proposed configuration for a Grade 5-8 middle school, and to have your important questions and concerns answered by expert panelists. This is an important meeting for parents and residents-at-large and we encourage **all members** of the community to attend.
