

Rye Beach Committee Report:**Date: Sunday ... August 5, 2018****Time: 2:00 PM****Weather: 88 degrees and sunny****Submitted by: Larry Rocha****Parking on Perkins Road:**

I was away at a USA Hockey Clinic on the weekend of August 4 – 5 but a neighbor sent me a few photos of people parking all over Perkins Road and she told me it was “completely crazy” and the people show little respect for the people that are residents and live here year-round. She also said she check a few other roads and there were other cars parked illegally but no where near the “craziness on Perkins Road with cars parking all over the place”. Notice in the photos that cars were parked on the right side of the road (moving away from the beach), partly in front of people’s driveways and all over the yard of the house on the corner of Bernard Drive.
