

Rye Elementary School is presently registering Kindergarten and Grade 1 students for the school year 2020-2021 (New students entering RES only) .

Our Kindergarten program is a full day program. It is important that all students register so that we can plan classes for next year.

We accept registrations by email at sryan@sau50.org and USPS. Here is a link to the materials needed to register: [Registration information](#).

For more information leave a message at the school office: 603.436.4731
