Questions to ask the Board/Committee/Commission

From your perspective, what is the best reason for living in Rye? What does the town offer that compels one to want to live here?

2. As a resident of Rye, what aspect(s) of the town are you most concerned about over the next 3 to 5 years?

3. What is missing from Rye? What do you think about and say, "I wish this were (or weren't) so."?

4. What potential threats to the very nature of the town (internal or external) do you foresee over the next 3 to 5 years?

5. If you could implement only one major change to the town of Rye that would have the greatest positive impact, what would that change be?

As you prepare your responses, please consider critical factors of our Town inclusive of: Education, Recreation, Services, Population composition, Community activities, Facilities, Commercial, Residential, Social, Cultural, Climate Change, and Land Use.
