Natural Resources Inventory Workshop Meeting Draft Minutes [CLICK HERE](#)

### Highlights

Rye Conservation Commission received the Legacy Award from the State of New Hampshire for their outstanding work in the community.

The cleanup of sawdust and loaming of the conservation access at Sea Glass Lane has been completed.

The CC met to review the first draft of the Rye Natural Resources Inventory

### Wetlands

**0 Merrymeeting Lane**, Tax Map 15, Lot 18 Owner: Denise and Craig Benson  
New submittal

New submittal was reviewed and a site walk was scheduled for June 16. (no draft site walk minutes as of RCL publication)

**1627 Ocean Blvd.**, Tax Map 13, Lot 23 Owners: Paula Parrish and Mario Ponte Ross  
Engineering, Alex Ross  
Removal of existing structure, rebuild

Property is located 8 houses north of Ray's Seafood. Setbacks to wetlands will be improved from 18' to 31'. Impervious surface will be reduced, one of 2 driveway entrances will be removed, building will be compliant with building area coverage, front and rear zoning setbacks will be met. A site walk was scheduled.

**0 Brackett Road**, Tax Map 19, Lot 96 Chris Griffin - applicant  
Beach & Jones Engineering/TF Moran

It was discovered the 2018 wetland delineation was flawed. A special exception is now required for the driveway as it passes through the buffer but the new leach field and septic are outside the buffer but a variance is required for fill outside the leach field for the grade. Discussion of requiring a native plants plantings plan and that it be pre-approved by the CC.

A resident expressed concern about the existing catch basin and the impact of the new home and cars parked.

A member expressed concern about the lot size of 10,850 here and more generally the impact on the environment of such small lots being developed.

### **Other Business**

The stone apron of the well as Goss Farm will be rebuilt so it is not a hazard.

There was a non-public session of 14 minutes under RSA 91-A:3, II (d) Acquisition (2) per RSA 91-A:3, II (e) Legal
