

October Rye Town Center Committee  
Rye Civic League Notes

October 6 Meeting Draft Minutes [CLICK HERE](#)  
October 6 Meeting Video Streaming [CLICK HERE](#)

### Highlights

1. Meeting with Recreation Director Meghan Spaulding
2. Library Trustees present Library Plans
3. Discussion on proposed changes to Town Hall Annex (Old TD Bank)
4. Letter from citizen encouraging sidewalks

### **Details**

#### **Library**

The green space next to the library is officially named “Library Commons”. The space will be used for performances and other gatherings for all generations.

The design of the park is being planned to allow the library to expand from 6200 sf to 12,000 sf. The proposed design will require the town museum move from its current location to the new Library Commons. RTCC supports this idea which will next go to the Select Board.

#### **TD Bank**

RTCC is concerned about the changes proposed to the TD Bank building. These changes were approved by the HDC in September. Members of HDC also on RTCC say there are problems with the design. RTCC will forward proposed changes to the building to HDC and continue to discuss at the next meeting

#### **Survey**

Letter to RTCC asking for sidewalks from Washington Rd / Wallis Rd to Washington Rd / Central Rd and down to Town Hall parking lot. TAP Grant plan will fall short as it stops at the top of Central Road and does not continue down to Town Hall.
