

The Beach Committee finalized plans at their January 18 meeting to celebrate Rye's 400th Anniversary during Earth Month, April 2023. "4 for 400th" Beach Cleanups will be held with the invaluable support of the Blue Ocean Society for Marine Conservation and the Rye 400 Anniversary Celebrations Committee. While protecting our beaches is always the reward for our community, participants will be offered a chance to put their names in a box to win a gift certificate to a local business as part of our celebration. The dates are based on tides and times to accommodate different schedules within the NH Seacoast Community.

4 for 400th Beach Cleanup Schedule

Monday, April 3@4-5:30pm-Foss North & South

Saturday, April 8@9-10:30am-Pirates North & South

Thursday, April 20@4:30-6pm (Earth Week)-Jeness to Cable

Friday, April 28@10:30m-Noon (Local School Vacation Week)-Sawyers to Philbircks

Rain Date TBA (if necessary)

The Committee reaffirmed their recommendations to the Select Board to continue the use of dog waste containers year-round and to install bike racks at beach entrances.

Due to a conflict with a holiday, the next meeting is scheduled for Wednesday, February 22@5:30pm in the Town Hall. Beginning in March, meetings will be held on the third Monday of each month@5:30pm in the Town Hall.
