Goal 3: *To gain an understanding of NH state laws, SAU 50 policies and practices as well as RES safety procedures.*

Accomplishments and Successes

Goal 1:

- We want to thank Bowl-O-Rama for sponsoring a trip for our third and fourth graders to practice their skills in bowling and scoring.
- We want to thank our PTA who recently approved a grant that will better help us achieve our goal for a new K-2 playground.
- Beginning this week, family members could email us if they were interested in having lunch with their child(ren) at RES.

Goal 2:

- Our staff recently had a staff meeting to conduct a “year in review” thus far. We are excited to say that we have accomplished a lot together and are excited about the upcoming Writing Committee, reading professional development and a deep dive into our scheduling process so we can maximize achievement and student engagement.

Goal 3:

- We recently trained the preschool staff in A.L.I.C.E. so they could ask questions related to their specific needs, knowing they are working with our youngest students. Thank you to Deputy Chief Bliasdell for offering this personalized training.
- Rye Police Department, along with partners from Rye Fire Department, SAU 50 school

district, and New Hampshire Homeland Security and Emergency Management conducted a school security assessment at Rye Elementary School yesterday. HSEM's Assistant Chief of School Readiness Austin Brown and School Readiness Liaison Steven Cooper conducted the assessment, evaluating and offering feedback on the surveillance, access control and emergency alerting capabilities currently in place.

Current school focus

Goal 1:

- We are looking ahead to Kindness Week as well as a community project to name our outdoor space. Families, look out for a homework assignment.

Goal 2:

- Report cards will be going home on February 3.

Goal 3:

- We will be planning our next safety drill with RPD!
