

**Rye Elementary School
Rye School District Administrator Report
April 19, 2023**

Michelle Pitts: Entry Plan Goals

Goal 1: *To build relationships with RES stakeholders, including staff, families, students and community members in order to maintain and enhance the positive culture.*

Goal 2: *To gain a deep understanding of curriculum and assessment practices and analyze student data to identify goals for instruction and student progress.*

Goal 3: *To gain an understanding of NH state laws, SAU 50 policies and practices as well as RES safety procedures.*

Accomplishments and Successes

Goal 1:

- Life on a Plate was a play that truly put RES theater on the map. The talent of our third and fourth graders was the highlight, specifically their comedic timing. So many family members and students were part of this experience and we want to thank PTA, REF and the School Board for supporting this new venture, it was well worth it!
- We would like to acknowledge that April 5 was Para Appreciation Day! Staff hosted a breakfast and we were able to give our well deserving paras some time to eat and talk with one another, a luxury they rarely have during the busy school day.
- I wanted to personally thank Kipp Kissinger, a referee from the NCAA Final Four, who spoke with our fourth grade students about sportsmanship, being respectful to one another on the field, court and classroom and the importance of E and A (Effort and Attitude).
- Another thank you to the Playground Committee, Robin Wehbe and all those who supported and donated to the Walk-a-

Goal 2:

- The Writing Committee is still working together to confirm one or two pilot programs for next year. We are hearing from representatives from three programs this week.

Goal 3:

- We would like to thank the members of our Wellness Committee as we have a new Wellness Implementation Plan that aligns with our Wellness Policy. Next year, we will work with staff and families to highlight this plan and the action steps we have highlighted in our efforts to ensure our alignment with the policy.

Current school focus**Goal 1:**

- We are so thankful for the grants we received from REF. These grants are currently being processed by staff so we can ensure the funds are used as intended and as thoughtfully as possible. The generosity was overwhelming and the staff, students and families thank you for your support!

Goal 2:

- We are currently reviewing our web-based subscriptions and considering which subscriptions would make the most sense for next year based on usership data and Tier 1, 2 and 3 potential.

Goal 3:

- We are shifting some safety protocols to ensure we have a strong understanding of expected visitors. The first step was informing families that all forgotten items from home need to be dropped off outside of the building so as not to take away focus from the front office if possible.
