## **TAP Grant Subcommittee**

April 13, 2023

Each member presented a review of 3 firms recommended for next steps in the grant process from list of LPA Pre-Qualified Preliminary Engineering Firms

https://www.nh.gov/dot/org/projectdevelopment/planning/lpa.htm

When RFQ is posted these 9 firms will be contacted in addition to the required posting of the RFQ per the Consultant selection process on page 57 of this manual

https://www.nh.gov/dot/org/projectdevelopment/planning/documents/lpa-manual.pdf

The 9 firms recommended include

BETA: Manchester

CDM Smith: Manchester

CMA Engineers: Portsmouth

Mcfarland Johnson: Concord NH

Jacobs Engineering: Bedford and Boston

Kleinfelder – national firm offices in Manchester

Wright-Pierce: Portsmouth NH

Weston & Sampson Engineers: Manchester NH

TEC The Engineering Corp: Hampton NH

## **Training**

- Victor, John and Tom completed training
- Lydia to complete training using posted powerpoint slides

## Before next meeting

- John to contact our PM for next steps on RFQ
- All members to review manual up to and including RFQ process
