Subject: Re: Beach Committee Budget

I did not receive the request on the same date as everyone else. Yes, that happens sometimes, so thanks Becky and Janice for contacting me.

Doing this remotely but looked at numbers so yes, use this year's budget (3), EXCEPT for NH Environmental Services, add \$100.

FYI- we will use most all of this year's NH Env budget when we pay for all of 2023 Shoulder Season Testing.

Accomplishments/Events

2023

*4 for 400 Beach Cleanups in partnership with Rye400 and the Blue Ocean Society for Marine Conservation

Support for shoulder season water sampling at Sawyer in partnership with the NH Chapter of Surfrider and the UNH Jackson Estuarine Laboratory. Hoping to expand option in 2024 or 2025

* Continued placement of Rye Eco posters at beach access entryways and some Rye businesses in partnership with RES Grade 4

*Continued beach site walks as a Committee to review beach access entryways, as well as meeting with Fire and Police Chiefs to discuss beach safety

*One Beach Committee member continues to serve on the Parking Permit Committee
