

**Superintendent's Report
Rye School Board Meeting
Wednesday, February 21, 2024
5:30 PM**

Expected Votes at this Meeting

In addition to the minutes, manifests, and any transfers, you will be asked to vote on the final version of the school calendar and Data Governance Plan. You will also consider a vote on the proposal for a cell tower at RES.

SAU 50 Sensation

Please find the most recent edition of the SAU 50 Sensation [here](#).

The Accolades Keep Coming

In addition to the National Blue Ribbon award for RES and the impressive state rankings from US News and World Report (RES #1, RJH #4), both schools were considered for the New Hampshire Schools of Excellence program (NH EDie's). RES was selected as a semi-finalist but someone must have said they can't have another award so they were not moved on. RJH though has made it to the finalist round and will be hosting a site visit from the committee in March.

Professional Development Update

Plans for March 12th are really coming together. The PGC has organized an amazing day of learning, sharing, collaboration, and fun! The morning will feature mini-sessions offered by colleagues. Descriptions can be found [here](#). The afternoon will be spent in professional learning community (PLC) groups and will focus primarily on deepening our work with the Portrait of a Learner. Guidelines for that work can be found [here](#).

SAU 50/52 Collaboration

We continue to take advantage of opportunities to get groups together across our two SAUs to open lines of communication and collaborate on curriculum. On January 25th we brought middle school and high school math teachers across the districts together at PHS. Shay St. Laurent, the Director of Curriculum and Instruction for PHS facilitated a productive afternoon examining the alignment of math curriculum across sending schools with PHS. We are going to meet soon to do the same with Social Studies.
