ABOUT THE RYE CIVIC LEAGUE

About the Rye Civic League and the Civic News

The Rye Civic League was founded in 1968 by Frances Holway, Joan LaFrance and Marjorie Miller, disbanded in 1992 and revived in 2009. The RCL is a voluntary association that educates and motivates people to act as informed citizens of Rye.

To receive Town News go to the [Rye Civic League Website](#) and enter your name and email.

All articles are written by the RCL editors and contributors. Questions or comments? Ideas for news articles? Contact the RCL at civicnews@ryecivicleague.org

Rye Town Handbook from the Rye Civic League:

The Rye Citizens' Handbook has been created by the RCL to provide a consolidated resource to assist citizens in interacting with the various employees, board and commission members of the Town. It contains a description of each of the positions and groups, together with the contact information for each. It provides a road map to assist citizens in interacting with each function. The document is fluid. The intention of the RCL is to revise the Handbook at least annually in response to changes in staff, board and committee memberships, and the laws.

Special thanks to Mae Bradshaw who created and maintains the handbook.

NOTE: 2022 Update is available at the Library, the Town Clerk's Office and other locations. All sections are also posted on the Rye Civic League website.

The Rye Civic League is a registered 501(c)(3) non-profit organization and such organizations are only as good as their membership base whether that is through paid dues, gifts in kind and active

participation. What RCL really needs at this time, in addition to regular \$12 dues, is more active members who can assist with RCL tasks relating to the writing of the Civic News and other activities.

- Summarize a town meeting for the Civic News
- Editing the Civic News content
- Helping with Candidates Night and other civic events
- Social Media savvy person
- Website and help to fulfill our "digital transformation" vision. We envisioned a more effective capture of meeting summaries, a much better website and more dynamic communication.
