Greater Seacoast Health

Making compassionate, integrated health and support services accessible to all in our community

July 28, 2026

Mr. Matt Scruton
Town of Rye
10 Central Rd
Rye, NH 03870-2551

Dear Matt,

Thank you for the Town of Rye's grant, in the amount of $2,000.00, received on July 27, 2026. Your support is making it possible for someone in our community to access care, support, and stability when they need it most.

At Greater Seacoast Health, relationships are at the heart of everything we do, and that includes our relationship with you. Your generosity is helping expand access to whole-person care, ensuring individuals and families across the Seacoast can receive medical, dental, and supportive services without barriers.

Because of you, lives are being changed. A patient will receive treatment. A family will find relief. A neighbor will experience dignity and hope.

You are an essential partner in this work, and we are deeply grateful to have you as part of this community. We look forward to sharing the impact of your generosity in the months ahead.

With sincere appreciation,

Jocelyn Caple, MD
CEO

Thank you for your support!

P.S. You are part of a growing community of supporters who are helping build a healthier, more equitable Seacoast. Thank you for making this possible.
